

UN Global Compact EU Peer Learning Group 2023

5th meeting | 16 January 2023 (online)

Supplier engagement to achieve net-zero transition plans

This follow-up event supports participants of the 2023 EU Peer Learning Meeting on Climate in their climate mitigation efforts by delving further into the crucial aspect of supplier engagement to achieve net-zero transition plans. It aims to facilitate the exchange of exemplary practices among attendees and encourage the exploration of innovative strategies to engage with suppliers, thereby advancing the realization of net-zero transition plans.
