Report of the statutory auditor

on the limited statutory examination to the General Meeting of

Global Compact Network Switzerland & Liechtenstein (GCNSL) Zürich

As statutory auditor, we have examined the financial statements (balance sheet, income statement and notes) of Global Compact Network Switzerland & Liechtenstein (GCNSL) for the year ended 31 December 2022.

These financial statements are the responsibility of the Board. Our responsibility is to perform a limited statutory examination on these financial statements. We confirm that we meet the licensing and independence requirements as stipulated by Swiss law.

We conducted our examination in accordance with the Swiss Standard on the Limited Statutory Examination. This standard requires that we plan and perform a limited statutory examination to identify material misstatements in the financial statements. A limited statutory examination consists primarily of inquiries of association personnel and analytical procedures as well as detailed tests of association documents as considered necessary in the circumstances. However, the testing of operational processes and the internal control system, as well as inquiries and further testing procedures to detect fraud or other legal violations, are not within the scope of this examination.

Based on our limited statutory examination, nothing has come to our attention that causes us to believe that the financial statements do not comply with Swiss law and the association's articles of incorporation.
